I did not mean it when I told you it was oh-ver

5

I did not mean it, when I said, My love is a lie.

9

I did not want to make you blue don't want you to hear me cry,

13

17

I did not mean it when I said good-bye. My

dad-dy thinks I'm stu-pid 'cause I let you get a-way from me.

21

Ma ma called you a no good play- er fool. She said,

25

I should just be let- tin'you be. They don't know you like

29

I do, and you're bet- ter back at school. I did not mean it,

33

when I told you it was oh- ver, (say it's not so) I did not mean it,

37

when I said, My love is a lie. I did not want to

41

make you blue, don't want you, to hear me cry, I did not

45

mean it when I said good-bye. Each day I spend

49

in lon- li- ness so you can have a bet- ter life

53

to live, but nights I long

57

for your tend- er- ness I'm a sim- ple man with out a lot.

61

Lon- ly is the on- ly thing I've got to give. You are a

65

dia- mond in an old coal box. You're too good for this worn out place.

69

You're too good for this simple man, so go on, get out of my

73

face. (*no) I did not mean it, when I told you, It was oh-ver. (say it's not so)

77

I did not mean it, when I said, My love is a lie. I did not want

81

to make you blue Don't want you, to hear me cry, I

85

did not mean it when I said, Good bye. Good

bye
